Report of the Event

Title : Career Guidance Program on Soft Skills Training

Resource Person : Ms.S.GAYATHRY, B.A., M.A., M.H.S.

Total Participants : 63

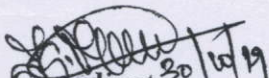

"Career Guidance Program on Soft Skills Training" was organized by Training and Placement Cell on 26.10.2019 for all department students.

Mr.K.Mahesh Kumar Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

And then the resource person noted the various ways in Introduction to Soft Skills define soft skills and their importance in the workplace. This training programme explains how soft skills complement technical skills and contribute to career growth. **Emotional Intelligence (EI)** such as Self-awareness which is helpful to understand one's emotions and triggers. Self-regulations is to Manage emotions and reactions. Empathy is mainly for Understanding and considering others' feelings. Finally a Social skill is for Nurturing relationships and effective communication. **Presentation Skills** is used for Structuring effective presentations, engaging the audience and managing nerves. **Resources and Support** is to Provide resources such as books, articles, and online courses for further self-study. Offering mentorship or coaching support for participants seeking additional guidance.

The participation Certificate has been awarded to the participants

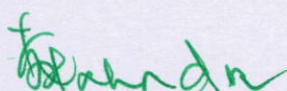

Mr.K.Mahesh Kumar gave excellent awareness about "Career Guidance Program on Soft Skills Training" of its various real time applications.

Report of the Event

Title : Cloud Computing
Resource Person : Dr. M. PALLIKONDA RAJASEKARAN, B.E., M.E., Ph.D.
Total Participants : 63

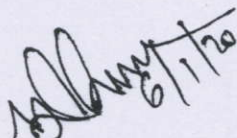

"Cloud Computing " was organized by Training and Placement Cell on 03.01.2020 for all department students.

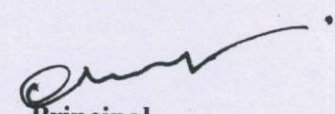

Mr.S.Dhinesh Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

And then the resource person noted the various ways in Cloud computing refers to the delivery of computing services—including servers, storage, databases, networking, software, and more-over the internet ("the cloud") to offer faster innovation, flexible resources, and economies of scale. Instead of owning and maintaining physical data centre and servers, cloud computing enables individuals and organizations to access technology services on-demand from a cloud service provider. Users can provision and manage computing resources, such as server instances and storage, without human intervention from the cloud service provider.

The participation Certificate has been awarded to the participants

Mr.S.Dhinesh gave excellent awareness about "Cloud Computing "of its various real time applications.

Report of the Event

Title : Career opportunities to insist gate exam importance.

Resource Person : Dr.S.MANIMARAN, B.E., MBA., Ph.D.

Total Participants : 67

"Career opportunities to insist GATE exam importance" was organized by Training and Placement Cell on 08.07.2019 for all department students.

Mr.G.Suresh Event coordinator of Electrical & Electronics Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

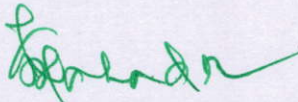

And then the resource person noted the various ways in Career opportunities in industries like engineering, technology, and research often emphasize the importance of exams such as Graduate Aptitude Test. GATE scores are widely accepted by prestigious institutions for admission into postgraduate programs such as Master of Technology (M.Tech), Master of Engineering (M.E.), and Doctor of Philosophy (Ph.D.). These programs provide advanced knowledge and specialization in various fields, enhancing career prospects. Many government-owned companies and organizations in sectors like engineering, energy, and telecommunications recruit candidates through GATE scores for positions in engineering, management, and research. These positions offer job security, competitive salaries, and opportunities for career growth. GATE-qualified individuals often possess strong technical and analytical skills, making them well-suited for entrepreneurship and innovation. They can leverage their knowledge and expertise to start their own ventures, develop new technologies, and address societal challenges, contributing to economic growth and development.

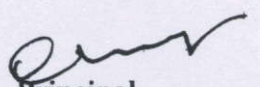

The participation Certificate has been awarded to the participants

Mr.G.Suresh gave excellent awareness about "Career opportunities to insist gate exam importance" of its various real time applications.

Report of the Event

Title : Aptitude Training
Resource Person : Mr.S.JANAKIRAMAN, B.E
Total Participants : 67

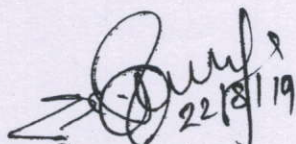

"Aptitude Training" was organized by Training and Placement Cell on 19.08.2019 for all department students.

Mrs.Ramya.K Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

And then the resource person noted the various ways in Aptitude training focuses on developing cognitive abilities and problem-solving skills essential for success in various domains, including academics, careers, and daily life. Aptitude training enhances analytical thinking abilities, enabling individuals to analyze complex problems, identify patterns, and formulate logical solutions. Quantitative Aptitude includes training in mathematical concepts, such as arithmetic, algebra, geometry, and statistics, to improve numerical reasoning skills and proficiency in quantitative analysis. Aptitude training encompasses verbal reasoning exercises aimed at improving vocabulary, comprehension, grammar, and language skills necessary for effective communication and verbal reasoning.

The participation Certificate has been awarded to the participants

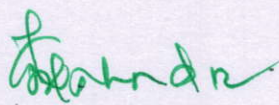

Mrs.Ramya.K gave excellent awareness about "Aptitude Training" of its various real time applications.

Report of the Event

Title : Awareness on Government Job Opportunities for Engineering Students

Resource Person : Mr.S.JANAKIRAMAN, B.E

Total Participants : 67

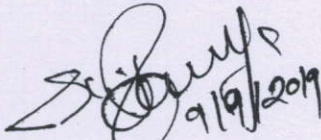

"Awareness on Government Job Opportunities for Engineering Students" was organized by Training and Placement Cell on 06.09.2019 for all department students.

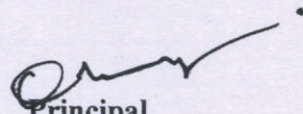

Mrs.Ramya.K Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

And then the resource person noted the various ways in Awareness of government job opportunities for engineering students is crucial, given the diverse career paths available in the public sector. Many government-owned companies, such as BHEL, ONGC, SAIL, and NTPC, recruit engineering graduates through competitive exams like GATE (Graduate Aptitude Test in Engineering) or through their independent recruitment processes. Engineering Services Examination (ESE) Conducted by the Union Public Service Commission (UPSC), ESE is an annual examination that recruits engineers for various departments of the Government of India, including Indian Railways, Central Engineering Services, and Military Engineering Services.

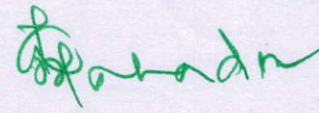

The participation Certificate has been awarded to the participants

Mrs.Ramya.K gave excellent awareness about "Awareness on Government Job Opportunities for Engineering Students" of its various real time applications.
