Report of the Event

Title : Career Opportunities for Python Developers

Resource Person : Dr.K.SOMASUNDARAM,B.E., M.E., Ph.D.

Total Participants : 20

"Career Opportunities for Python Developers" was organized by Training and Placement Cell on 04.03.2021 for all department students.

Mr.S.Dhinesh Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

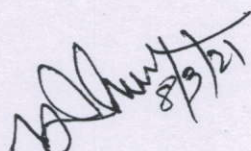

And then the resource person noted the various ways in Python developers have a wide range of career opportunities due to the versatility and popularity of the Python programming language across various industries.

Python developers can work as software developers/engineers, building and maintaining software applications using Python. They may work on web development, mobile app development, desktop applications, or backend systems.

Python is widely used in the field of data science and data analysis due to its extensive libraries such as NumPy, Pandas, Matplotlib, and SciPy. Python developers can work with large datasets, perform data analysis, build machine learning models, and visualize data.

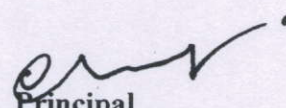

The participation Certificate has been awarded to the participants

Mr.S.Dhinesh gave excellent awareness about "Career Opportunities for Python Developers" of its various real time applications.

Report of the Event

Title : Awareness on Graduate Aptitude Test in Engineering

Resource Person : Dr.S.MANIMARAN, B.E., MBA., Ph.D.

Total Participants : 60

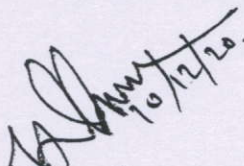

"Awareness on Graduate Aptitude Test in Engineering" was organized by Training and Placement Cell on 07.12.2020 for all department students.

Mr.S.Dhinesh Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

And then the resource person noted the various ways in creating awareness about the Graduate Aptitude Test in Engineering (GATE) is crucial for students and professionals considering higher education or career advancement in engineering and related fields. Create and distribute online resources such as articles, blog posts, e-books, and videos covering various aspects of GATE preparation, including syllabus coverage, recommended books, mock tests, and exam-day strategies. Make these resources accessible through websites, forums, and social media channels. Recruit campus ambassadors or student volunteers to represent GATE awareness initiatives in their respective educational institutions. They can organize workshops, study groups, and mentoring sessions to support fellow students in their GATE preparation journey. Encourage employers to recognize and value GATE qualifications in their recruitment processes.

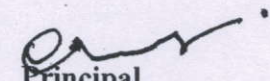

The participation Certificate has been awarded to the participants

Mr.S.Dhinesh gave excellent awareness about "Awareness on Graduate Aptitude Test in Engineering" of its various real time applications.
