Report of the Event

Title : Guidance Program for Civil Service Exam Awareness

Resource Person : Mr.S.JANAKIRAMAN, B.E

Total Participants : 20

"Guidance Program for Civil Service Exam Awareness" was organized by Training and Placement Cell on 11.08.2021 for all department students.

Mr.G.Suresh Event coordinator of Electrical & Electronics Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

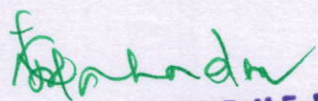

And then the resource person noted the various ways in The Civil Services Examination (CSE) is one of the most prestigious and challenging competitive exams in India, conducted by the Union Public Service Commission (UPSC). The CSE aims to recruit candidates for various civil services positions in the Government of India, including the Indian Administrative Service (IAS), Indian Police Service (IPS), Indian Foreign Service (IFS), and other central services. The CSE consists of three stages: the Preliminary Examination (Prelims), the Main Examination (Mains), and the Personality Test (Interview). Candidates must qualify in each stage to progress to the next. The Prelims is an objective-type test comprising two papers: General Studies Paper-I and General Studies Paper-II (CSAT). It serves as a screening test, with candidates required to score above the cut-off marks to qualify for the Mains.

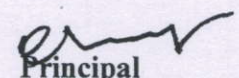

The participation Certificate has been awarded to the participants

Mr.G.Suresh gave excellent awareness about "Guidance Program for Civil Service Exam Awareness" of its various real time applications.

Report of the Event

Title : Opportunities in Defence Sectors (Exams)
Resource Person : Mr.S.VIJAYAKUMAR,B.Sc.,M.Sc (ELECTRONICS)
Total Participants : 20

"Opportunities in Defence Sectors (Exams)" was organized by Training and Placement Cell on 13.08.2021 for all department students.

Mr.K.Mahesh Kumar Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

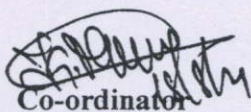

And then the resource person noted the various ways in The defense sector offers a wide range of opportunities across various domains, from technology development to logistics and support services.

The defense sector continually seeks innovative solutions to enhance capabilities in areas such as aerospace, cybersecurity, autonomous systems, and advanced materials. Opportunities exist for engineers, scientists, and researchers to contribute to cutting-edge projects and technologies. Analysts and intelligence professionals play a crucial role in gathering, analyzing, and interpreting information to support defense decision-making, threat assessments, and strategic planning.

Consulting firms specializing in defense provide expertise in areas such as strategy development, program management, operational efficiency, and financial planning to government agencies and defense contractors.

The participation Certificate has been awarded to the participants

Mr.K.Mahesh Kumar gave excellent awareness about "Opportunities in Defence Sectors (Exams)" of its various real time applications.
