06.05.2022

From

The HOD
Department of Science and Humanities
CMS College of Engineering
Namakkal

To

The Principal
CMS College of Engineering
Namakkal

Respected Sir,

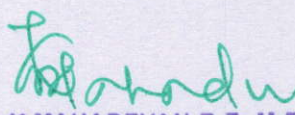

SUB: Requesting Permission to conduct Seminar- Reg.

We have planned to conduct a Seminar on "**Semiconductor Materials**". It will be an interactive session and give more knowledge about semiconducting materials. The seminar will be planned to conduct on 19th May 2022 from 10 AM to 4 PM. Kindly request you to issue the permission.

Thanking you.

Yours Sincerely,

Dr. K. MAHADEVAN, B.E., M.E., Ph.D.

DEPARTMENT OF SCIENCE AND HUMANITIES RESOURCE PERSON PROFILE

Mrs.P.Lalitha Assistant professor and Head of Physics Department, PGP College of Engineering and Technology, Namakkal. She has been working in the institution since 2008. She has 13 years of experience in the field of teaching. She educated her under graduation degree and post graduation at Kandaswamy Kander College of Arts and Science Paramathi Velur, Namakkal. She completed her PG M.Phil., Degree in Peryar University.

Mrs.P.Lalitha held various positions and responsibilities as an exam coordinator coordinating exams for first year Students. She has held position as financial in charge for Technical symposium in PGPCET. She has organized and conducted many FDPs, workshops, seminars and conferences. Her passion in Teaching contributed towards the betterment of student's community.

DEPARTMENT OF SCIENCE AND HUMANITIES ONE DAY SEMINAR ON "SEMICONDUCTOR MATERIALS"

REPORT

Date: 21.05.2022

The Department of Science and Humanities organized a one day Seminar on "Semiconductor Materials" on 19.05.2022. The College Principal Dr.C.A.Sathya Moorthy started the Seminar and delivered the presidential address. Dr.Ponnarasan, HOD/ Physics welcomed the chief guest, participants in the seminar. Mrs.P.Lalitha HOD/Physics, PGP College of Engineering and Technology, Namakkal delivered an overview of Semiconductor Materials.

Mrs.P.Lalitha, HOD /Physics, delivered the address on "Germanium", the basics and properties, how it can be used as thickness measurements.

Around 66 nos of participants attended this seminar and gained knowledge about the Materials Characterization Techniques used for thickness measurements. Around 4 PM the valedictory function was conducted. Ms.LakshmiPriya Assistant Professor, Department of Physics delivered the valedictory address and distributed the certificates to the participants. Finally Association secretary delivered the vote of thanks, the Seminar ends with National Anthem.

REPORT OF THE EVENT

Title : Recent Trends and Challenges in Clinical ECG
Date(s) : 03.03.2022
Resource Person : Dr.J.Sivaraman M.E., P.hD.
Total Participants : 35

A webinar on Recent Trends and Challenges in Clinical ECG was organized by Department of Electronics and Communication Engineering on 03.03.2022 for the students and Staff member.

The objective of the webinar was to share how essential does ECG play in medicine? It was also aimed to understand the ECG is more than a mere tracing of cardiac electrical activity; it can detect and diagnose various pathologies including arrhythmias, pericardial and myocardial disease, electrolyte disturbances and pulmonary disease. K.Periyasamy Head of the Department of Electronics and Communication Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

DETAILS OF RESOURCE PERSON

Title : Emerging Trends in Next Generation Wireless Technology
Date(s) : 24.02.2022
Resource Person : Dr.J.Sivasankaran M.E., P.hD.
Total Participants : 76

Dr. SIVASANKARAN V has a more than 10 years of teaching and research experience; he completed his B.E in the year 2005 with specialization in ECE and M.E in 2010 with specialization of Applied Electronics and Doctorate in 2018 in the field of Communication systems. He obtained All UG, PG and PhD from Anna University Chennai. He has published 22 papers in peer reviewed international journals and in IEEE international conferences. He also published book chapters and three patents to his credit. He has been the reviewer for Springer wireless networks journals. His research interest is in the areas of mobility management, cooperative communication for wireless networks, Heterogeneous wireless system, and cellular relay networks. He had been as session chair for various international conferences across the country also he invited as guest speaker at various seminars and workshop.

Date: 26.02.2022

REPORT OF THE EVENT

Title : Emerging Trends in Next Generation Wireless Technology
Date(s) : 24.02.2022
Resource Person : Dr.J.Sivasankaran M.E., P.hD.
Total Participants : 45

A webinar on Emerging Trends in Next Generation Wireless Technology was organized by Department of Electronics and Communication Engineering on 24.02.2022 for the students and Staff member. The objective of the webinar was to share comparison of 4G, 5G and 6G (THE ROAD TO A GLOBAL "BRAIN")

It was also aimed to understand the

- Migration to Next G networks ensures convergence of networks, technologies, applications and services.
- 6G can serve as a flexible platform.
- Wireless carriers have an opportunity to shorten Investment return, improve operating efficiency and increase revenues.
- 6G - a promising Generation of wireless communication that will change people's lives.

Mr.K.Periyasamy Head of the Department of Electronics and Communication Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

REPORT OF THE EVENT

Date : 25.02.2022

Title : ENERGY AUDITING
Date(s) : 22.02.2022
Resource Person : Ms.R.Kavipriya
Total Participants : 40

A webinar on ENERGY AUDITING was organized by Department of Electrical and Electronics on 22.02.2022 for the students and Staff member.

Principal and Head, Department of ECE, initiated the session by addressing the resource person. Ms. Kavipriya started the webinar followed by expressing her gratitude to the staffs and students. The Objective of this webinar was to share How energy is used and identify the type and cost of energy use. During the session she clearly explained about the role of energy manager, energy audit stages. She also explained how energy auditing is doing for domestic and industrial sites with sample report. At the end of session, doubts of the students also cleared and everyone gets the knowledge about energy auditing. Finally the vote of thanks was delivered by Mr. G. Suresh, Head of EEE department.

The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

Report of the Event

Date: 28.01.2022

Title : Entrepreneur Awareness Program
Date(s) : 24.01.2022
Resource Person : Dr.B.MEENAKSHI SUNDARAM, B.E., M.E., Ph.D.
Total Participants : 20

"Entrepreneur Awareness Program" was organized by placement cell on 24.01.2022 for all department students.

Mr.S.Dhinesh Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

And then the resource person noted the various ways in an entrepreneur awareness program typically aims to educate individuals about entrepreneurship, including the opportunities, challenges, and skills needed to start and manage a successful business. These programs may cover various aspects of entrepreneurship, such as idea generation, market research, business planning, financial management, marketing, and networking. Encouraging individuals to consider entrepreneurship as a career path and inspiring them with success stories of entrepreneurs. Equipping participants with the necessary skills and knowledge to identify business opportunities, develop business plans, and execute them effectively. Educating participants about the risks and challenges associated with entrepreneurship and providing strategies to mitigate them.

The participation Certificate has been awarded to the participants

Mr.S.Dhinesh gave excellent awareness about "Entrepreneur Awareness Program" of its various real time applications.

REQUISITION LETTER

12.04.2022

From

The HOD
Department of Science and Humanities
CMS College of Engineering
Namakkal

To

The Principal
CMS College of Engineering
Namakkal

Respected Sir,

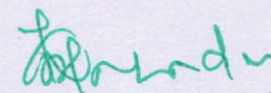

Sub: Request for Permission to conduct seminar.

We are requesting permission to conduct a seminar on **"ADVANCE GRAPH THEORY AND ITS APPLICATION"**. This session will be engaging and interacting that encourages students to get more interest in mathematics. The seminar will be planned to held in seminar hall on 26th April 2022 from 10AM to 1PM. Kindly confirm your decision on this matter at your earliest convenience.

Thanking you

Yours Sincerely

Dr. K. MAHADEVAN, B.E., M.E., Ph.D

DEPARTMENT OF SCIENCE AND HUMANITIES RESOURCE PERSON PROFILE

The Department of Science and Humanities organizing a seminar on **ADVANCE GRAPH THEORY AND ITS APPLICATION** on 10.00 AM to 1.00 PM. The program is organized by CMS College of Engineering with the collaboration of knowledge partner Mr M.Suresh muthayammal Memorial College of arts and science, rasipuram

Mr.M. Suresh has completed his UG,PG and M.Phil, in Bishop heber College, Trichy. He has been experienced in various colleges in and around Namakkal. His roles and responsibilities as an exam coordinator, coordinating exams for first year Students. He held position as financial in charge for Technical symposium in King College of Technology. He organized and conducted many FDP's, workshops, seminars and conferences. Passion in Teaching, he has contributed towards the betterment of student's community

DEPARTMENT OF SCIENCE AND HUMANITIES

SEMINAR ON “ADVANCE GRAPH THEORY AND ITS APPLICATION”

REPORT

Date: 20.04.2022

The Department of Science and Humanities is organized a one day Seminar on “ADVANCE GRAPH THEORY AND ITS APPLICATION” 26.04.2022 The College Principal Dr.C.A.SATHYA MOORTHY delivered the presidential address. Dr.Ponnarasan, HOD/ Physics welcomed the chief guest and participants. Mr.M. SURESH introduced himself to the gatherings.

Mr.M.SURESH delivered his speech based on Social networks, communication Networks, Information networks, Software design, Transportation Networks, Biological Networks . Its a challenge to find a subject to which graph theory has not yet been applied.

Around 33 no's of participants attended this workshop and gained knowledge on Transportation Networks, Biological Networks. Around 1 PM the valedictory function was conducted. Mr.V.VELLAIYAN AP/MATHEMATICS Assistant Professor, Department of mathematics delivered the valedictory address and distributed the certificates to the participants. Finally Association secretary has delivered the vote of thanks, the Seminar ends with National Anthem.

Department of Electrical and Electronics Engineering

Details of Research Person

Dr. Venkataramanan is a highly qualified electronics and telecommunications engineering professor with 10+ years of experience in mentoring Undergraduate and Post-Graduate students in Chennai and Mumbai while covering 12 crucial and intriguing concepts. He holds comprehensive experience in handling students belonging to different cultures and molding teaching practices and examples based on individual understanding levels. He has completed his Masters in Science, and a Masters in Technology focused on VLSI Design.

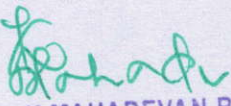

He is honored to be a member of the following Institutions:

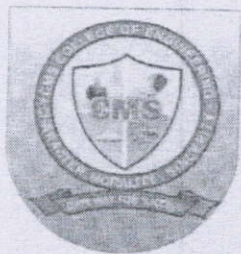

- IETE (Institution of Electronics and Telecommunication Engineers)
- ISTE Member (Indian Society for Technical Education)
- Member of IEEE (Institute of Electricals & Electronics Engineers)

Courses trained:

Electronic Circuits, Digital Principles and System Design, Linear Integrated Circuits, Electro Magnetic Fields, Analog and Digital Communication, Microprocessor and Microcontroller, Digital Signal Processing, VLSI Design, High-Speed Networks, Mobile Communication Systems, Wireless Networks, Optical communication, Communication Systems Laboratory, VLSI Design Lab II, VLSI Signal Processing, Low Power VLSI Design, VLSI for Wireless Communication

Department of Electrical and Electronics Engineering

Report of the Event

Title: "INTERNET OF THINGS (IOT) WIRELESS EMERGING TECHNOLOGIES, THE PROMISES AND THE CHALLENGES"

Date(s) : 18.03.2022

Resource Person : Mr.V.Venkataraman.

Total Participants : 60

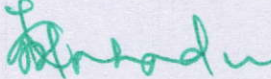

A webinar on "INTERNET OF THINGS (IOT) WIRELESS EMERGING TECHNOLOGIES, THE PROMISES AND THE CHALLENGES" was organized by Department of Electrical and Electronics Engineering on 18.03.2022 for the students and Staff member.

Mr.G.Suresh, Associate professor and Head, Department of EEE, delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Mr.C.A.Sathiyamoorthy, Principal, CMS Engineering College. Further he explained the importance of technologies.

Mr.V.Venkataraman started the webinar by explaining the evolution of technologies. He explained how the internet of things playing the vital role in our daily life and how we are using the technologies in our core field. He further explained the challenges and their impacts. Later he completed this webinar with QA session. At the end of session, students gained the knowledge about the technologies.

Finally the vote of thanks was delivered by Ms.V.Thiriburasundari, Assistant Professor of EEE. The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

WEBINAR ON "WOMEN EMPOWERMENT-2020 ERA"

REPORT OF THE EVENT

Date: 10.03.2022

Title : WOMEN EMPOWERMENT-2020 ERA
Date(s) : 08.03.2022
Resource Person : Dr.R.PUNIDHA.M.E., PH.D.,
Total Participants :40

A webinar on "Women Empowerment-2020 era" was organized by CMS Educational Institutions on 08.03.2022 for the students and Staff member. The extent of empowerment of women in the national hierarchy is determined largely by the three factors – her economic, social and political identity and their weightage.

The objective of the Women Empowerment is to provide women with access to education, financial assistance, and opportunities for employment. These also aim to promote women's health and well-being. Ms.K.LakshmiPriya AP/Dept of Physics delivered the welcome address and he extended his warm welcome to the resource person and participants. The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

DETAILS OF RESOURCE PERSON

Title : Recent Trends and Challenges in Clinical ECG
Date(s) : 03.03.2022
Resource Person : Dr.J.Sivaraman M.E., P.hD.
Total Participants : 44

Dr.J.SIVARAMAN M.E, Ph.D., presently he is working as an Assistant Professor in the Department of Biotechnology and Medical Engineering, National Institute of Technology Rourkela, Odisha. He has 12 years of teaching experience. He has completed B-E Electronics and Instrumentation in the year of 2006 and received Post Graduation M.E in Medical Electronics in the year of 2009. He is completed his Ph-D. in the area of Biomedical Engineering in the year 2015. He grants received from National Post-Doctoral fellowship from SERB, Young Engineering Leader from IIT Gandhi nagar, INAE-IIT Gandhinagar Travel grant, HTRA Fellowship from MHRD Government of India. He is also a member in ISTE, ISE, BMESI, ISHR, EMBS, and SBAOI.

REPORT OF THE EVENT

Title : Recent Trends and Challenges in Clinical ECG
Date(s) : 03.03.2022
Resource Person : Dr.J.Sivaraman M.E., P.hD.
Total Participants : 35

A webinar on Recent Trends and Challenges in Clinical ECG was organized by Department of Electronics and Communication Engineering on 03.03.2022 for the students and Staff member.

The objective of the webinar was to share how essential does ECG play in medicine? It was also aimed to understand the ECG is more than a mere tracing of cardiac electrical activity; it can detect and diagnose various pathologies including arrhythmias, pericardial and myocardial disease, electrolyte disturbances and pulmonary disease. K.Periyasamy Head of the Department of Electronics and Communication Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

Respected Sir,

Sub: Request for Permission to Organize a Webinar-Reg.,

We are requesting permission to conduct a Webinar on "EMERGING TRENDS IN NEXT GENERATION WIRELESS TECHNOLOGY". It will be an interactive and engaging session that encourages students to know the comparison of 4G, 5G and 6G (THE ROAD TO A GLOBAL "BRAIN"). I believe that it will be a valuable addition to the educational opportunities offered by our institution.

Thanking you

Yours sincerely,

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

DETAILS OF RESOURCE PERSON

Title : Emerging Trends in Next Generation Wireless Technology
Date(s) : 24.02.2022
Resource Person : Dr.J.Sivasankaran M.E., P.hD.
Total Participants : 76

Dr. SIVASANKARAN V has a more than 10 years of teaching and research experience; he completed his B.E in the year 2005 with specialization in ECE and M.E in 2010 with specialization of Applied Electronics and Doctorate in 2018 in the field of Communication systems. He obtained All UG, PG and PhD from Anna University Chennai. He has published 22 papers in peer reviewed international journals and in IEEE international conferences. He also published book chapters and three patents to his credit. He has been the reviewer for Springer wireless networks journals. His research interest is in the areas of mobility management, cooperative communication for wireless networks, Heterogeneous wireless system, and cellular relay networks. He had been as session chair for various international conferences across the country also he invited as guest speaker at various seminars and workshop.

Date: 26.02.2022

REPORT OF THE EVENT

Title : Emerging Trends in Next Generation Wireless Technology
Date(s) : 24.02.2022
Resource Person : Dr.J.Sivasankaran M.E., P.hD.
Total Participants : 45

A webinar on Emerging Trends in Next Generation Wireless Technology was organized by Department of Electronics and Communication Engineering on 24.02.2022 for the students and Staff member. The objective of the webinar was to share comparison of 4G,5G and 6G (THE ROAD TO A GLOBAL "BRAIN")

It was also aimed to understand the

- Migration to Next G networks ensures convergence of networks, technologies, applications and services.
- 6G can serve as a flexible platform.
- Wireless carriers have an opportunity to shorten Investment return, improve operating efficiency and increase revenues.
- 6G - a promising Generation of wireless communication that will change people's lives.

Mr.K.Periyasamy Head of the Department of Electronics and Communication Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

REPORT OF THE EVENT

Date : 25.02.2022

Title : ENERGY AUDITING
Date(s) : 22.02.2022
Resource Person : Ms.R.Kavipriya
Total Participants : 40

A webinar on ENERGY AUDITING was organized by Department of Electrical and Electronics on 22.02.2022 for the students and Staff member.

Principal and Head, Department of ECE, initiated the session by addressing the resource person. Ms. Kavipriya started the webinar followed by expressing her gratitude to the staffs and students. The Objective of this webinar was to share How energy is used and identify the type and cost of energy use. During the session she clearly explained about the role of energy manager, energy audit stages. She also explained how energy auditing is doing for domestic and industrial sites with sample report. At the end of session, doubts of the students also cleared and everyone gets the knowledge about energy auditing. Finally the vote of thanks was delivered by Mr. G. Suresh, Head of EEE department.

The session was conducted through Google meet. Once the session gets over, E-Certificate was issued to the participants.

Report of the Event

Date: 28.01.2022

Title : Entrepreneur Awareness Program
Date(s) : 24.01.2022
Resource Person : Dr.B.MEENAKSHI SUNDARAM, B.E., M.E., Ph.D.
Total Participants : 20

"Entrepreneur Awareness Program" was organized by placement cell on 24.01.2022 for all department students.

Mr.S.Dhinesh Event coordinator of Computer Science & Engineering delivered the welcome address and she extended her warm welcome to the resource person and participants.

And then the resource person noted the various ways in an entrepreneur awareness program typically aims to educate individuals about entrepreneurship, including the opportunities, challenges, and skills needed to start and manage a successful business. These programs may cover various aspects of entrepreneurship, such as idea generation, market research, business planning, financial management, marketing, and networking. Encouraging individuals to consider entrepreneurship as a career path and inspiring them with success stories of entrepreneurs. Equipping participants with the necessary skills and knowledge to identify business opportunities, develop business plans, and execute them effectively. Educating participants about the risks and challenges associated with entrepreneurship and providing strategies to mitigate them.

The participation Certificate has been awarded to the participants

Mr.S.Dhinesh gave excellent awareness about "Entrepreneur Awareness Program" of its various real time applications.
