VISION OF THE INSTITUTION
To transform the institution into an institution of excellence with global standards.

MISSION:
1. To attain academic excellence by conveying knowledge and skills through problem solving, hands on training and the creation of innovative projects through design and development
2. To foster leadership and interdisciplinary team skills by the way of effective communication training and instilling ethical behavior
3. To conduct applied research in Engineering & Technology and Promote continuous lifelong learning

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

VISION:
To provide world-class engineering education in the domain of Electrical and Electronics Engineering to meet global challenges technically, ethically and socially responsible for the welfare of all citizens.

MISSION:
- Provide a strong theoretical foundation in Electrical and Electronics Engineering.
- Develop practical skills and professional

Department of Electrical and Electronics Engineering

REPORT

Name of the Event: ELECTRIC VEHICLE TECHNOLOGY AND ITS IMPACTS

Date(s) : 27.03.2023

Resource Person : Dr. D. BOOPATHI

Total Participants: 40

Seminar on ELECTRIC VEHICLE TECHNOLOGY AND ITS IMPACTS organized by, CMS College of Engineering on 27.03.2023 . The aim of the seminar is to understand the concept of vehicle modelling battery and future load demand and charging infrastructures.

G.Suresh Head of Electrical And Electronic Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Principal of CMS College of Engineering. Further, he highlighted the importance of Electric vehicle technology and its impacts.

Dr. D. BOOPATHI explained the Automobile past, present market and EV/HEV. Design and development process of automobile sector recent auto news and buzzword in auto industries these all are of challenges of EV/HEV. He shared the vision and target of AMP-2026 (Automotive Mission Planning-2026) through Make in India, Skill India and ATMA NIRBHAR BHARATH. He explained the scope of improvement in EV/HEV as battery revolutions, At finally he passed the message to faculty need to more contribution on research and advancement in electric vehicle technology, Feedback and questionnaires session were also shared with participants.

They were asked to discuss about the early life education ups and downs in their field and the most important is the lesson or take away for us. Participant from UG level discussed the topics very well. After going through the feedback and the responses from audience, we are very glad to know that they got motivated to work hard in every aspect of life.

“WORKSHOP ON RECENT TRENDS IN CLOUD COMPUTING AND VIRTUALIZATION” ON 14-02-2023.

Computer Science and Engineering Department is organizing workshop on 14th February 2023 on the topic of “RECENT TRENDS IN CLOUD COMPUTING AND VIRTUALIZATION”. The Workshop is organized by Mrs.R.Kaviya, Assistant Professor, Computer Science and Engineering, CMS college of Engineering.

RESOURCE PERSON PROFILE

Mr.R.Sathish is more efficient with critical thinking where he can enhance his excellence in researching his core. His address to gathering will make everyone more energetic and useful. He has the vision and objective of Cloud computing, a high quality of making the students to understand the several initiatives which is being implemented in the department Computer Science. His delivery of computing service including servers, storage, databases, networking, software, analytics, and intelligence over the cloud to offer faster innovation, flexible resources, and economies of scale.

Mr.R.Sathish done his B.Tech IT in Government collage, Coimbatore. He covers areas like, student learning outcomes, assessments analytics and dissemination, development of high end learning resources using technology.

DEPARTMENT PROFILE :

Department of Computer Science and Engineering was established in the year 2007 with the objective of imparting quality education in the field of Computer Science & Engineering. The Department of Computer Science & Engineering strives for excellence in creating, applying, and imparting knowledge in Computer Science & Engineering through comprehensive educational programs, research in collaboration with industry and dissemination through scholarly publications. We sincerely strive to develop proactive, enterprising students with an intent to learn and eagerness to excel.

VISION :

To become a Centre of Academic Excellence and Advanced Research in the field of Computer Science and Engineering and develop professionals who can meet with societal issues.

MISSION :

To create an optimal environment featuring state-of-the-art technological infrastructure, structured teaching-learning atmospheres, and industry engagement within the field of Computer Science and Engineering.

- To foster the growth of graduates with exceptional technical expertise and entrepreneurial acumen, while promoting a desire for advanced education in Computer Science and Engineering. Equip them with the essential skills to address real-world challenges effectively.

- To in still in graduates a strong sense of social responsibility, a positive attitude, discipline, and a commitment to leveraging their professional expertise for the betterment of society.

REPORT FOR THE "WORKSHOP ON RECENT TRENDS IN CLOUD COMPUTING AND VIRTUALIZATION" on 14-02-2023

Date: 16.02.2023

The "WORKSHOP ON RECENT TRENDS IN CLOUD COMPUTING AND VIRTUALIZATION" held on 14-02-2023 in Seminar Hall. The workshop started by 10 AM and ended by 03.30 PM. It was attended by Students from our college and surrounded colleges with great enthusiasm. The event began with welcoming the Guest Mr.R.Sathish by our College Management.

After the felicitation of our Chief Guest Mr.R.Sathish who gave a brief introduction about the use of cloud computing in all sorts of directions. The session went good with more interaction and usefulness of cloud computing in our day to day life with recent virtualization. All the Students were taught the importance of the cloud computing. At end of the workshop we had interaction session with students and we concluded the Programme by Vote of Thanks.

DEPARTMENT OF SCIENCE AND HUMANITIES

SEMINAR on "IMPORTANCE OF COMMUNICATION SKILLS"

REPORT

Date: 16.01.2023

The Department of Science and Humanities organized a Seminar on "IMPORTANCE OF COMMUNICATION SKILLS" on 12.01.2023. Our programme started with Invocation and lamp lightening. CMS College of Engineering Principal Dr.C.A.SATHIYA MOORTHY started the program and delivered the Presidential address Dr.V.Ponnarasan HOD/Physics welcome the chief guest, the student participants and all the faculty members.

Our Chief Guest Mr.A.Prashanth, Motivational Speaker delivered the fantabulous speech for Importance of Communication Skills. Around 63 no of students were attended this Seminar and gained wide knowledge about the Communication Skills and improved their confidence level with smart thinking.

At 12.30pm valedictory function was conducted. Mrs.G.Gowthami Assistant Professor of English delivered the Vote of Thanks and Certificates distributed to the participants and the program ends with National Anthem.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

WORKSHOP ON "SOLAR AND SMART ENERGY SYSTEMS"

REPORT OF THE EVENT

Date: 23.10.2022

Title : SOLAR AND SMART ENERGY SYSTEMS
Date(s) : 21.10.2022
Resource Person : Dr. O. Cyril Mathew M.E.,P.hD.,
Total Participants : 44

A workshop on Solar and Smart Energy Systems was organized by Department of Electronics and Communication Engineering on 21.10.2022 for the students and Staff member.

Mr.S.SOUNDRAKUMAR Assistant professor/Department of Electronics and Communication Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The objective of the workshop was to develop two energy efficient projects. First you will develop a solar battery charger device with solar panels and then build a smart traffic control prototype which can automatically control the traffic signal based on the vehicle intensity on road. You can also use the solar charger to power up the traffic system.

Once the session gets over, Certificate was issued to the participants.

RESOURCE PERSON PROFILE

Ms. S.SATHYA, Software Developer in I - Process India Private Limited, Bangalore. She has the ability to create, design, deploy, testing and support software. She valid her application of various principles and techniques from computer science engineering and mathematical analysis. Her session made all the gathering to ensure towards her attention. She completed her Bachelor Degree, Computer Science and Engineering in Chennai.

Ms. S.SATHYA have experienced in analyzing the wisdom of technology to apply in real science of machine language using AI technology. She has the Leadership qualities and managing the Environment with ethical considerations and persistent lifelong learning in Artificial Intelligence with Machine language. Her logic will optimize the development of students based on the core principles used in her curriculum of teaching. She creates values for AI&MI expertise for refining the policy of the plans to be executed by the student's side of development.

REPORT FOR THE “WEBINAR ON MACHINE LEARNING AND ITS APPLICATIONS” on 08-10-2022

Date :10.10.2022

“THE WEBINAR ON MACHINE LEARNING AND ITS APPLICATIONS “on 08-10-2022. The Webinar started by 10 AM and ended by 03:30PM. It was attended by all the students from Computer Science and Engineering Department via Online Mode through Google Meet. We shared the link to our students by our Staff Coordinator Mr. Maheswaran T, Assistant Professor, Computer Science and Engineering, CMS college of Engineering.

Our Resource Person gave a quick introduction about the basics of Machine Learning. She shared many experience of Machine Learning and its Applications in our day to day life. She explained the students the difference between Machine Learning and Deep Learning. The topics covered by her which includes,

- Introduction to Machine Learning.
- Applications of Machine Learning.
- Awareness for the current market demand and key Responsibility.
- Tools and Libraries.
- Career Opportunities & Future Scope.
- Closing Note.

At end of the Webinar we conducted query session for students.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

REPORT

Date: 30.09.2022

Name of the Event: Seminar on Entrepreneurship Development For Innovation and Business Idea

Date(s) : 28.09.2022

Resource Person : Dr.K.SOUNDARAJAN

Total Participants: 35

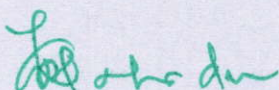

Workshop on Entrepreneurship Development for innovation and Business Idea organized by Electrical and Electronics Engineering Department, CMS College of Engineering on 28.09.2022. The aim of the workshop is to create knowledge among the participants about Entrepreneurship and Business idea.

G.Suresh delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Dr C A Sathya Moorthy Principal, CMS College of Engineering. Further, he highlighted the importance of Entrepreneurship Development and various Business ideas.

Dr.K.SOUNDARAJAN talks about Entrepreneurship development. He discussed on various opportunities and scope of Entrepreneurship in India. He observed the mindset of the students after listening by his talk and responded them for necessary steps to be undertaken for the achievement of their Entrepreneurship dreams.

They were asked to discuss about the early life education ups and downs in their field and the most important is the lesson or take away for us. Participant from UG level discussed the topics very well. After going through the feedback and the responses from audience, we are very glad to know that they got motivated to work hard in every aspect of life.

REPORT OF THE EVENT

19.09.2022

Title : E-VEHICLE AND BATTERY TECHNOLOGY
Date(s) : 15.09.2022
Resource Person : Mr.P.Satheshkumar, M.E, (Ph.D)
Total Participants : 56

CMS College of engineering conducted a seminar on 15.09.2022 at 10.05 AM. The Principal delivered the welcome address. Head of the department introduced our resource person **Mr.P.satheshkumar, M.E, (Ph.d)** Assistant Professor / Mech NSNCET –Karur. The Resource persons delivered the speech on E-Vehicle and Battery Technology organized by Department of Mechanical Engineering. 56 members were participated in this session from various departments.

Overview of the course:

Participants can gain the knowledge and skills they need to work with create, maintain, or comprehend electric vehicle by taking a course on electric vehicles. What might be covered in such a training course is summarized below.

Fundamentals of Electric Power trains. Battery Technology for EV. Charging Infrastructure. Electric Vehicle Regulations and Standards. Introduction Cluster meter communication. Integration of Electric Vehicle. Fault Troubleshooting and Fix-up. Future Trends and Innovations. The function was finally ended by thanking management, Principal, HOD's and faculties who worked for this event to make this event a grant success.

DEPARTMENT PROFILE :

• Department of Computer Science and Engineering was established in the year 2007 with the objective of imparting quality education in the field of Computer Science & Engineering. The Department of Computer Science & Engineering strives for excellence in creating, applying, and imparting knowledge in Computer Science & Engineering through comprehensive educational programs, research in collaboration with industry and dissemination through scholarly publications. We sincerely strive to develop proactive, enterprising students with an intent to learn and eagerness to excel.

VISION :

• To become a Centre of Academic Excellence and Advanced Research in the field of Computer Science and Engineering and develop professionals who can meet with societal issues.

MISSION :

- To create an optimal environment featuring state-of-the-art technological infrastructure, structured teaching-learning atmospheres, and industry engagement within the field of Computer Science and Engineering.
- To foster the growth of graduates with exceptional technical expertise and entrepreneurial acumen while promoting a desire for advanced education in Computer Science and Engineering. Equip them with the essential skills to address real-world challenges effectively.
- To inculcate in graduates a strong sense of social responsibility, a positive attitude, discipline, and a commitment to leveraging their professional expertise for the betterment of society.

“WORKSHOP ON VIRTUAL REALITY” on 17-08-2022.

Computer Science and Engineering Department is organizing a orientation program on 17th August 2022 on the topic of “VIRTUAL REALITY”. The Workshop is organized by Mrs.R.Kaviya, Assistant Professor, Computer Science and Engineering, CMS college of Engineering.

RESOURCE PERSON DETAILS

Mrs. M.ANUSHKA a Senior Software Analyst who is Dedicated, Enthusiastic and Energetic. She is much interested in Virtual source of coding and she has a combing modern day technology to connect with Virtual Reality Environment. She is well known in applying the technology for pose tracking and 3D near-eye displays to give the user an immersive feel of the virtual world.

Mrs. M.ANUSHKA done her Bachelor of Engineering in Computer Science and Engineering Easwari Engineering College, Chennai and Master of Business Administration in Human Resource Management Periyar University, Salem. She is a member of ROTARACT and involved in various social activities and undergone various Faculty Training and Development Programs.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING REPORT

Date: 20.08.2022

THE "WORKSHOP ON VIRTUAL REALITY held on 17-08-2022 in Seminar Hall. The workshop started by 10 AM and ended by 03.30 PM. It was attended by Students from our college and surrounded colleges with great enthusiasm. The event began with welcoming the guest Mrs.M.Anushka by our College Management. After the felicitation of our Chief Guest Mrs.M.Anushka who gave a brief introduction about the Virtual Reality. She taught the computer-generated environment with scenes and objects that appear to be real, making the user feel which are immersed in our surroundings and make our environment perceived. She taught the students which includes,

- Usage of Virtual Reality.
- Types of Virtual Reality.
- Hardware used in Virtual Reality.
- Applications of Virtual Reality.
- Conclusion & References.

The session went with more interaction and valuable towards the Virtual World in our day to day life. All the Students were taught the importance of the Advantages and Disadvantages of Virtual Reality. Finally the workshop ended with query session and Vote of Thanks which was delivered by Mrs.R.Kaviya, Assistant Professor, Computer Science and Engineering, CMS college of Engineering.

DEPARTMENT OF SCIENCE AND HUMANITIES

SEMINAR REPORT ON "ECONOMICS OF ENTREPRENEURSHIP"

13.06.2022

Name of the program: "Economics of Entrepreneurship"

Name of the Resource person: Mr.Prasanth. A

Date: 10/06/2022

Number of beneficiary: 30

This Seminar helped the students to understand the effective entrepreneur skill among them. It encourages competition, which drives efficiency and productivity gains across industries. Additionally, entrepreneurial ventures contribute to diversifying the economy, reducing dependency on a few sectors, and mitigating risks associated with economic downturns. The resource person explained well how to be a self entrepreneur. Entrepreneurship is an engine of economic growth and development. By fostering innovation, creating jobs, and enhancing economic dynamism, entrepreneurship contributes significantly to overall prosperity.
