DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Seminar on Recent Trends and Development in Electrical Grid

DETAILS OF RESOURCES PERSON

Mr.M.Ravichandran, is Assistant Professor and Head of the Department, Department of Electrical and Electronics Engineering, Selvam College of Technology, Namakkal, Tamil Nadu, India. Mr.M.Ravichandran joined SCT in the year of 2007 and has a teaching experience that spans nearly 17 years. Passionate about his work, he sets realistic goals and displays professionalism in his undertakings. He has served the institution as a member and head of several committees. He has attended several conferences, and presented and published papers in the fields related to Electrical and Electronics Engineering. Mr.M.Ravichandran Organized 4 Interrelation and 2 National Conference and more than 10 workshops in SCT for enhancing the students skills. He published more than 10 papers in the reputed National and International Journals and published more than 15 papers in the National and International conferences. His fields of interest are Power Electronics and Applications, Transmission and Distribution, Solid State Drives, Power System Protection & Switchgear and Applications to Photovoltaic Systems. He teaches undergraduate and post graduate courses in Electrical and Electronics Engineering. He received grand's from Tamilnadu State Council for Science and Technology in Students Project Scheme. He Participated in a Two Week ISTE STTP on Pedagogy for Effective use of ICT in Engineering Education Conducted by IIT Bombay, under National Mission on Education through ICT (MHRD), Two Week ISTE STTP on Pedagogy for Effective use of ICT in Engineering Education Conducted by IIT Bombay, under National Mission on Education through ICT (MHRD) and attended more than 15 workshops in various reputed institutions. He acted as a resource for more than 5 programs in various reputed colleges. In order to empower the rural people he has been conducted Energy Conservation Awareness Camp, Basic House wiring and maintenance workshop to the Village peoples at karungalpalayam Village, Namakkal. Mr.M.ravichandran is a active member of the ISTE.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

25.10.2021

REPORT

Name of the Event: Seminar on Recent Trends and Development in Electrical Grid

Date(s) : 22.10.2021

Resource Person : Dr.M.Ravi chandran

Total Participants :41

Seminar on Recent Trends and Development in Electrical Grid organized by Electrical and Electronics Engineering Department, CMS College of Engineering on

22.10.2021 . The aim of the Seminar is to create knowledge among the participants about Entrepreneurship and Business idea.

G.Suresh delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Principal CMS College of Engineering. Further, he highlighted the importance of Development in Electrical Grid Development and various Business ideas.

M.Ravichandran talk about Development in Electrical Grid . He discussed on various opportunities and scope of Development in Electrical Grid in India. He observed the mindset of the students after listening by his talk and responded them for necessary steps to be undertaken for the achievement of their Development in Electrical Grid dreams.

They were asked to discuss about the early life education ups and downs in their field and the most important is the lesson or take away for us. Participant from UG level discussed the topics very well. After going through the feedback and the responses from audience, we are very glad to know that they got motivated to work hard in every aspect of life.

DEPARTMENT PROFILE:

: Department of Computer Science and Engineering was established in the year 2007 with the objective of imparting quality education in the field of Computer Science & Engineering. The Department of Computer Science & Engineering strives for excellence in creating, applying, and imparting knowledge in Computer Science & Engineering through comprehensive educational programs, research in collaboration with industry and dissemination through scholarly publications. We sincerely strive to develop proactive, enterprising students with an intent to learn and eagerness to excel.

VISION:

To become a Centre of Academic Excellence and Advanced Research in the field of Computer Science and Engineering and develop professionals who can meet with societal issues.

MISSION:

To create an optimal environment featuring state-of-the-art technological infrastructure, structured teaching-learning atmospheres, and industry engagement within the field of Computer Science and Engineering.

- To foster the growth of graduates with exceptional technical expertise and entrepreneurial acumen, while promoting a desire for advanced education in Computer Science and Engineering. Equip them with the essential skills to address real-world challenges effectively.

- To instill in graduates a strong sense of social responsibility, a positive attitude, discipline, and a commitment to leveraging their professional expertise for the betterment of society.

“SEMINAR ON AUGMENTED REALITY” On 09-10-2021

Computer Science and Engineering Department organized a Seminar on 9th October 2021 on the topic of “AUGMENTED REALITY” from 10.00 AM to 04.00 PM. The workshop is organized by Mr.K.Mahesh kumar, Assistant Professor, Computer Science and Engineering Department, CMS college of Engineering.

RESOURCE PERSON PROFILE

Mr.Prasanna Nagarajan completed his Bachelor of Engineering, Computer Science and Engineering, Karpagam College of Engineering, Coimbatore. He involved in software testing life cycle activities such as Requirement Analysis, Estimations, Test Planning, Test Design, Test Execution and Test Closure. He involved in Defect Life Cycle activities such as Defect Logging, Defect Re-testing and Defect Closure. He took ownership for analyzing and understanding the Project requirements from High Level Design and Business Requirements Documents and will be conducting regular meetings with the business to fill up the gaps in requirements.

He performed the test design activities such as test scenario preparation, test case preparation along with Requirements Traceability Matrix preparation and test data preparation. He prepared the Test Summary Reports & Test Execution Reports also managing and controlling the postproduction issues. Interacting with Onsite team coordinator on daily basis and with client on weekly basis.

REPORT FOR THE "SEMINAR ON AUGMENTED REALITY" ON 09-10-2021

Date: 12.10.2021

THE "SEMINAR ON AUGMENTED REALITY" held on 09-10-2021 in CMSCE Seminar Hall. The workshop started by 10 AM and ended by 01.00 PM. It was attended by Faculties and Students from our college and surrounded colleges with great enthusiasm. The event began with welcoming the Guest Mr. Mr.Prasanna Nagarajans by our College Management.

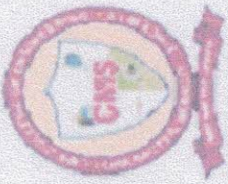

After the felicitation of our Chief Guest Mr.Prasanna Nagarajans who gave a brief introduction about the use of Augmented Reality in all sorts of directions. He explained about the integration of digital information with the user's environment in Real Time. He said the difference between VR and AR which creates a total artificial environment and AR users experience a real-world environment with generated perceptual information overlaid on top of it.

He added many usage of Augmented reality to either visually change natural environments in some way or to provide additional information to users. The primary benefit of AR is that it manages to blend digital and three-dimensional (3D) components with an individual's perception of the real world and has a variety of uses, from helping in decision-making to entertainment.

He delivers the AR visual elements, sound and other sensory information to the user through a device like a Smartphone or glasses. The information given by our resource person is overlaid onto to the gathering to device and creates an interwoven experience with digital information which alters the student perception of the real world.

Requested Sir,

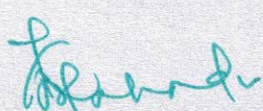

SUB: Request permission to conduct a seminar on "**Environmental Issues Air Pollution and Controls**"-Reg.

It is pleasure to inform you that the department of Mechanical Engineering has planned to conduct a Seminar titled "**Environmental Issues Air Pollution and Controls**" on 02.09.2021 with the aim of encouraging the students to gain knowledge. So, we kindly request you to grant permission to conduct the programme. Kindly do the needful.

Thanking you

Yours Sincerely

DETAILS OF THE RESOURCE PERSON

Title	: Environmental Issues Air Pollution and Controls
Date	: 02.09.2021
Resource Person	: Mr.P.VARUNKUMAR, B.E., M. B.A., (Ph.D)
Designation	: Head & Assistant Professor,
Experience	: Teaching experience – 13 Years
Total Participants	: 50

Mr.P.Varunkumar completed his MBA in Kumara guru College of Technology (Autonomous), Coimbatore. He is a research person in Bharathiyar University, Coimbatore, presently working as a Head & Assistant Professor, in ExcelCET – Karur. He conducted many seminars, workshops, Entrepreneurs & Export Club; Faculty Development Program to the students. He had published many papers, book chapters & journals.

REPORT OF THE EVENT

DATE: 04.09.2021

Title : Environmental Issues Air Pollution and Controls
Date(s) : 02.09.2021
Resource Person : Mr.P.VARUNKUMAR, B.E.,M. B.A., (Ph.D)
Total Participants :50

The Department of Mechanical engineering conducted a seminar on 02.09.2021 at 10.05 AM. The Principal delivered the welcome address. Head of the department introduced our resource person **Mr.P.VARUNKUMAR,B.E.,MB.A.,(Ph.D)** Assistant Professor /Head ExcelCET–Namakkal. The Resource person delivered speech on Environmental Issues Air Pollution and Controls organized by Department of Mechanical Engineering.

50 members were participated in this session. The Principal gave the students an insightful lecture about the importance of having this seminar and also encouraged the students. The resource person mentioned about the scope, limitation and benefits of qualitative research in engineering studies. The students listened the session and also provided feedback about the seminar. He also mentioned about the advantages and disadvantages of Environmental Issues Air Pollution. We also received a positive feedback from the students as well as from the resource person about the seminar Mr.M.Selvakumar, delivered the vote of thanks. The function was finally ended by thanking management, Principal, HODs and faculties.

Department profile:

Department of Computer Science and Engineering was established in the year 2007 with the objective of imparting quality education in the field of Computer Science & Engineering. The Department of Computer Science & Engineering strives for excellence in creating, applying, and imparting knowledge in Computer Science & Engineering through comprehensive educational programs, research in collaboration with industry and dissemination through scholarly publications. We sincerely strive to develop proactive, enterprising students with an intent to learn and eagerness to excel.

Vision:

To become a Centre of Academic Excellence and Advanced Research in the field of Computer Science and Engineering and develop professionals who can meet with societal issues.

Mission:

To create an optimal environment featuring state-of-the-art technological infrastructure, structured teaching-learning atmospheres, and industry engagement within the field of Computer Science and Engineering.
- To foster the growth of graduates with exceptional technical expertise and entrepreneurial acumen, while promoting a desire for advanced education in Computer Science and Engineering. Equip them with the essential skills to address real-world challenges effectively.
- To in still in graduates a strong sense of social responsibility, a positive attitude, discipline, and a commitment to leveraging their professional expertise for the betterment of society.

“WEBINAR ON PATENT RIGHT IN IPR” on 16-09-2020

Computer Science and Engineering Department is organizing a orientation program on 16th September 2020 on the topic of “Patent Right in IPR”. The Workshop is organized by Mr.S.DHINESH, Head of the Department, Computer Science and Engineering, CMS college of Engineering.

RESOURCE PERSON DETAILS

Resource Person V. Mohan Kumar, R&D Intellectual Property Analyst, Bangalore. He is more active and efficient in training the students to know the Intellectual property rights. In principle, he works for the patent owner and exclusive right to prevent or stop others from commercially exploiting the patented invention. The three types of patent are utility, design and plant where he is stronger in designing type of module. He applies Non-Provisional applications for designing inventions. He designs patents, over the value of a utility patent when it comes to enforcing and protecting their actual products and really invests in that make the purpose of adding into the process.

REPORT FOR THE "WEBNIAR ON PATENT RIGHT IN IPR" ON 16-09-2020.

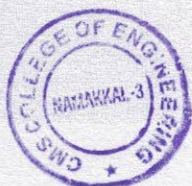

DATE: 18.09.2020

The Webinar on Patent Right in IPR held on 16-09-2020 via online mode. The webinar started by 10 AM and ended by 03.30 PM. It was attended by Students from our college and surrounded colleges with great enthusiasm.

Our Resource Person V. Mohan Kumar made the gathering to make the session more interactive and valuable. He presented many source of modules which includes slides to define the key points which is split into various sessions.

The presentation talks about the basic knowledge needed in order to get started with patent searching. He explains why patent information is important and it avoids duplication of research and development work and offers free accessible information in all fields of technology. The presenter tells the real-life stories of inventors who he has dealt with at his patent attorney practice, in order to illustrate the importance of IP rights, prior use, disclosure and the use of compulsory licenses. He also provides an overview of IP rights and patentability criteria.

This session deals with the legal rights conferred by a patent and the various ways of enforcing the rights. He discussed what happens in practice and gives tips on the more advantageous ways of communicating with infringers. At end of the Webinar we conducted query session for students.

REPORT

Date: 18.09.2020

Name of the Event: Intellectual Property Rights on Patents, Trademarks and Copyrights

Date(s) : 15.09.2020

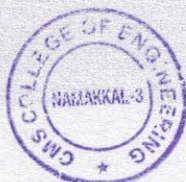

Resource Person : Dr.K.Soundararajan

Seminar on Intellectual Property Rights for innovation and Business Idea organized by Intellectual Property Rights Development Cell, CMS College of Engineering on 15.09.2020. The aim of the workshop is to create knowledge among the participants about Intellectual Property Rights and Business idea.

G.Suresh delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Principal, CMS College of Engineering. Further, he highlighted the importance of Intellectual Property Rights Development and various Business ideas.

Dr.K.Soundararajan talks about intellectual Property Rights development. He discussed on various opportunities and scope of Intellectual Property Rights in India. He observed the mindset of the students after listening by his talk a desponded them for necessary steps to be undertaken for the achievement of their intellectual Property Rights dreams.

They were asked to discuss about the early life education ups and downs in their field and the most important is the lesson or take away for us. Participant from UG level discussed the topics very well. After going through the feedback and the responses from audience, were very glad to know that they got motivated to work hard in every aspect of life.

Dr.K.MAHADEVAN, B.E., M.E., Ph.D.
