MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 21st day of April 2023

BETWEEN

CMS College of Engineering, the First Party represented herein (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

LEGGETT & PLATT ., the Second Party, and represented herein by its Rajeshwari, HR and admin (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

For CMS EDUCATIONAL TRUST,

M. Mahadevan
Vice Chairman.

M. Mahadevan
Dr.K.MAHADEVAN, B.E., M.E., Ph.D
PRINCIPAL
CMS COLLEGE OF ENGINEERING,
NAMAKKAL-637 003

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
CMS College of Engineering
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **LEGGETT & PLATT** ., the Second Party is Expertise in Various domain in the Automotive Engineering like Automotive Homologation and Certification, Noise Vibration and Harshness, Powertrain Design, Automotive Electronics, Model Based Design for Automotive Applications etc.,,
- F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

[Signature]
Dr. K. MAHADEVAN, B.E., M.E., Ph.D
PRINCIPAL
CMS COLLEGE OF ENGINEERING,
NAMAKKAL-637 003

For CMS EDUCATIONAL TRUST,
[Signature]
Vice Chairman;

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 The second party will provide its Labs/Workshops/Industrial sites for the Hands-on training of the learners enrolled with First Party.
- 2.3 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship of students of the First Party into internships as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the various fields of current trend.
- 2.5 **Skill Development Programs:** Second Party to train the students of First Party on a number of industry oriented technical courses . And a minimum of one such program will be organized every year at the premises of the First party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures on the technology trends and in-house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party on a number of industry oriented technical courses for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

Dr. K. MAHADEVAN, B.E., M.E., Ph.D
PRINCIPAL
CMS COLLEGE OF ENGINEERING,
NAMAKKAL-637 003

FOR CMS EDUCATIONAL TRUST,

Vice Chairman.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until 5 Years from the dated and it is expressly terminated by either Party on mutually agreed terms, during which period **CMS College of Engineering** the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of, **LEGGETT & PLATT** the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 The second party will provide its Labs/Workshops/Industrial sites for the Hands-on training of the learners enrolled with First Party.
- 2.3 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship of students of the First Party into internships as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the various fields of current trend.
- 2.5 **Skill Development Programs:** Second Party to train the students of First Party on a number of industry oriented technical courses. And a minimum of one such program will be organized every year at the premises of the First party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures on the technology trends and in-house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party on a number of industry oriented technical courses for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MoU') is entered into on this the 07th day of November 2022

BETWEEN

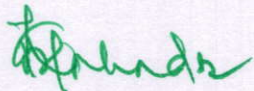

CMS College of Engineering, the First Party represented herein (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

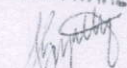

AND

Promethean Software Solutions, the Second Party, and represented herein by its S. Gayathry, COO (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

Dr.K.MAHADEVAN, B.E., M.E., Ph.D.
PRINCIPAL
CMS COLLEGE OF ENGINEERING,
NAMAKKAL-637 003

For PROMETHEAN SOFTWARE SOLUTIONS

Chief Operating Officer

WHEREAS:

- A) First Party is a Higher Educational Institution named:
CMS College of Engineering
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **Promethean Software Solutions**, the Second Party is Expertise in Managed EDI Services and Customized B2B integration solutions like Van Services, Data Analytics, ERP integration, Custom Software Solutions and Automate Business Tractions.
- F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

ABOUT MUHABA RESEARCH LAB

MuHaBa is an initiative started by a group of professionals with an idea to collaborate with Individuals, Startups, Institutes, and Industries to develop a next-generation talent pool for the nation. MuHaBa also strive in every aspect to provide a holistic service to every stakeholder to promote sustainable and inclusive growth by empowering skill development and Industry-Institute Interaction

ABOUT CMS COLLEGE OF ENGINEERING

The CMS Educational Trust was established in the year 2004 by Dr.C.Muthusamy, a renowned educationist, real estate promoter, philanthropist with an object of imparting a high standard of education to rural people. The trust is located at Namakkal. Dr.C.Muthusamy, the Chairman of the Trust is assisted by the Governing and Advisory Council in matters of Policy, Planning and Development of the Institutions. Mr.M.Sridhar, is the Vice Chairman and Tmt.M.Shanthi is the Secretary of the Trust.

The Trust lays stress on providing quality education and maintaining high degree of discipline. To meet the demands of the people, the Trust broadened its educational service and started CMS College of Engineering, CMS Polytechnic College, M.Shanthi College of Education and IMS International School. The campus of CMS Educational Institutions is sprawling complex of 36 acres with a built-up area of 7, 50,000 sq.ft. Apart from the overall beauty and serenity of the campus.

NOW THIS MEMORANDUM WITNESSETH

1. Conducting training programs for the students and faculty in various Software Related fields.
2. Providing assistance to organize Seminars.
3. Assisting the students in Industrial Project works.
4. Engaging the students through in-plant training and internship programs to impart knowledge to them in various fields to enhance their skill.
5. Jointly setting up a Research and Development laboratory or Incubation Center to invite innovative project ideas from the students and to support them in accomplishing their task to bring out as a product.
6. Involving the institution in the industrial projects for the betterment of the institution.

Dr. K. Mahadevan

CMS COLLEGE OF ENGINEERING,
NAMAKKAL - 637 003

ABOUT ROYAL TECH SYSTEMS

At SIA Informatix, we are a dynamic team of experienced professionals passionate about software development. We have been committed to crafting exceptional software solutions that cater to diverse industry needs.

ABOUT CMS COLLEGE OF ENGINEERING

The CMS Educational Trust was established in the year 2004 by Dr.C.Muthusamy, a renowned educationist, real estate promoter, philanthropist with an object of imparting a high standard of education to rural people. The trust is located at Namakkal. Dr.C.Muthusamy, the Chairman of the Trust is assisted by the Governing and Advisory Council in matters of Policy, Planning and Development of the Institutions. Mr.M.Sridhar, is the Vice Chairman and Tmt.M.Shanthi is the Secretary of the Trust.

The Trust lays stress on providing quality education and maintaining high degree of discipline. To meet the demands of the people, the Trust broadened its educational service and started CMS College of Engineering, CMS Polytechnic College, M.Shanthi College of Education and IMS International School. The campus of CMS Educational Institutions is sprawling complex of 36 acres with a built-up area of 7, 50,000 sq.ft. Apart from the overall beauty and serenity of the campus.

NOW THIS MEMORANDUM WITNESSETH

1. Conducting training programs for the students and faculty in various Software Related fields.
2. Providing assistance to organize Seminars.
3. Assisting the students in Industrial Project works.
4. Engaging the students through in-plant training and internship programs to impart knowledge to them in various fields to enhance their skill.
5. Jointly setting up a Research and Development laboratory or Incubation Center to invite innovative project ideas from the students and to support them in accomplishing their task to bring out as a product.
6. Involving the institution in the industrial projects for the betterment of the institution.

K. Mahadevan
Dr.K.MAHADEVAN, B.E., M.E., Ph.D
PRINCIPAL
CMS COLLEGE OF ENGINEERING,
NAMAKKAL-637 003

VALIDITY AND RENEWAL OF THIS MEMORANDUM

1. This Memorandum shall be valid for a period of Three years from the date.
2. This Memorandum shall be renewed on the expiry of three years as per the terms and conditions that may be mutually agreed upon as deemed fit and proper at that time.
3. Both parties shall meet and finalize about renewal of the Memorandum two months in advance before the expiry of the above said period.
4. Both parties shall have the rights to cancel the Memorandum by informing the other party one month in advance.

IN WITNESS WHEREOF, the parties here to have caused this agreement to be duly executed on the day, month and year first herein above written.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MoU') is entered into on this the 6th day of July 2019

BETWEEN

CMS COLLEGE OF ENGINEERING, NAMAKKAL the **First Party** represented herein (hereinafter referred as '**First Party**'), the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Thirsty Crowz, Villupuram, the **Second Party**, and represented herein by its Mr.K.Senthil Kumar, Chief Executive Officer (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

[Signature]
Dr.K.MAHADEVAN, B.E., M.E., Ph.D
PRINCIPAL
CMS COLLEGE OF ENGINEERING,
NAMAKKAL-637 003

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
- CMS COLLEGE OF ENGINEERING**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **Thirsty Crowz** - the Second Party is Expertise in Various domain in the Automotive Engineering like Automotive Homologation and Certification, Noise Vibration and Harshness, Powertrain Design, Automotive Electronics, Model Based Design for Automotive Applications etc.,
- F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

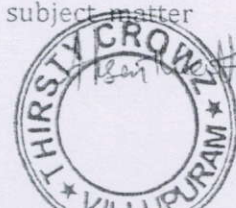

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 The second party will provide its Labs/Workshops/Industrial sites for the Hands-on training of the learners enrolled with First Party.
- 2.5 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship of students of the First Party into internships as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the various fields of current trend.
- 2.7 **Skill Development Programs:** Second Party to train the students of First Party on a number of industry oriented technical courses. And a minimum of one such program will be organized every year at the premises of the First party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.8 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures on the technology trends and in-house requirements.
- 2.9 **Faculty Development Programs:** Second Party to train the Faculties of First Party on a number of industry oriented technical courses for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.10 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
