## COMPUTER RESOURCES

CMSCE CAMPUS has excellent IT facilities for students and faculty 300 computer systems out of which 272 computer system are available in the campus with LAN connection the configured system available with high processor and RAM. There are servers available in the server room to provide network connectivity in the campus.

### Wi-Fi and Internet

Internet facility is provided through INFONET services wide the bandwidth of 50 Mbps and 100 Mbps by estimating the volume of data transmission the bandwidth will be increased during and hoc situation. The computer in the different block is interconnected with LAN through switches. The entire campus including hostel block has various WIFI access point to access educational resources through internet and intranet services.

### E-Governance:

All important administrative information is regularly published on the College website. Fully automated 24x7 internet facility is controlled by Data centre. Biometric attendance is marked for all teaching and non-teaching staff members.

### Updating the IT Facilities

Based on the gradual increase in the intake of the students the number of systems in all the laboratories is updated as per the AICTE norms, the students to computer ratio is maintained as 1.10:1. Based on the requirements, necessary software and hardware devices, computer systems and its peripheral devices are purchased.
