From

S.Dhinesh
Training and placement cell
CMS College Of Engineering
Namakkal .

To

The Principal,
CMS College of Engineering
Namakkal

Respected Sir/ Madam,

Sub: Soft Skills program on "**Logical Reasoning**"-reg.

The placement and training cell of our college has decided to conduct a Soft Skills program on "**Logical Reasoning**" for our final year students. This program will be very helpful for the students to learn about the industry expectations and skills required for a fresher to go into an IT organization. Hence, I kindly request you to give permission to conduct a Soft Skills program for final year students on 24.11.2021.

Thanking You

Yours Faithfully

[S.Dhinesh]

RESOURCEPERSONDETAIL

Mrs. M. Nithyapriya works at Syasan's Career Analytics as an aptitude specialist. She has discussions about rational thinking, job development skills, and numerical ability. She has had nearly five years of experience in teaching hundreds of pupils designed for recruiting exams on campus.

She received her master's degree in computer science from Madras University in Chennai before starting at Syasan's Career Analytics. She makes a contribution to the development of quantitative aptitude content. Many colleges were appreciative of Mrs. M. Nithyapriya's wonderful teaching.

She enjoys solving puzzles and problems in general. She received rewards from her participation in multiple game programs. She took part in cultural events as well. She is fluent in Tamil and English.

EVENT REPORT

DATE: 25.11.2021

Title of the event : **Soft Skills program on "Logical Reasoning"**
Date of the event : **24.11.2021**
Resource person : **Mrs.M.Nithyapriya**
Syasan's Career Analytics Pvt.Ltd.Chennai.
Number of participants : **22**

Event description

Mrs. M. Nithyapriya was invited as the chief guest for the Soft Skills program on 18/01/2021. Our Placement Coordinator, Mr.S.Dhinesh, welcomed the chief guest and briefed the students about the importance and effectiveness of soft skills programs. Mrs.Nithyapriya discussed the work patterns in industries and emphasized that students should focus more on their technical skills. She stressed that having strong knowledge in aptitude, time management, project finance, and project evaluation is crucial. About 22 students attended the program and clarified their doubts regarding interviews and technical skills. At the end of the program, the students proposed a vote of thanks to the Chairman, for organizing the workshop and expressed their strong interest in attending similar workshops in the future.

EVENT REPORT

DATE: 29.12.2021

Title of the event : Soft Skills programon“Stress Management Techniques for Engineering Students”

Date of the event :28.12.2021

Resource person Details : Mr.R.Muniraj Syasan' Career Analytics Pvt Ltd, Chennai.

Number of participants :22

Event Description:

Students spend most of their time in college. Due to continuous psychological work, constant worry, and family problems, their minds become stressful. They may feel annoyed, tired, and so exhausted that they just want to crawl into bed and sleep. Yoga not only releases mental stress, but it also gives strength to the body and mind. Relaxation and meditation bring sound sleep and calmness to the mind.

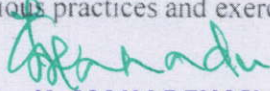

Around these thoughts, the two-hour session began with light exercise and some music for the participants. It helped the students relax and concentrate, which was the mantra for the day: “Relaxing helps reduce stress.”

The following tips were given by Mr. R. Muniraj on how to maintain a healthier and more peaceful lifestyle during your college days

- Incorporating a daily 20-minute exercise routine into your schedule is a great way to maintain physical health and well-being.
- Absolutely, maintaining a well-balanced diet is crucial for overall health and vitality
- Substituting fruits for desserts is a fantastic way to satisfy your sweet tooth while also providing your body with essential vitamins, minerals, and fiber Avoid caffeine.
- Getting at least 7 hours of sleep each night is essential for your overall health and well-being
- Incorporating relaxation techniques into your daily routine can help reduce stress, promote mental clarity, and improve overall well-being.
- Taking a warm bath or shower is a wonderful way to relax and unwind, especially at the end of a long day.
- Going for a walk is a simple yet effective way to incorporate physical activity into your Daily routine while also providing numerous health benefits.

All of the above tips given in the session are very useful and well-ordered to reduce stress. The participants of the workshop had a wonderful experience during various practices and exercises.
