VISION AND MISSION STATEMENTS

VISION

- To transform the institution into an institution of excellence with global standards.

MISSION

- To attain academic excellence by conveying knowledge and skills through problem - solving, hands on training and the creation of innovative projects through design and development
- To foster leadership and interdisciplinary team skills, by the way of effective communication training and instilling ethical behaviour.
- To conduct applied research in Engineering & Technology and Promote continuous lifelong learning.

QUALITY POLICY

- Engaging in applied research within the field of Engineering & Technology while advocating for ongoing lifelong learning is our primary focus.
- Offering top-notch facilities and creating an environment conducive to learning.
- Adapting proactively to evolving industry, parental, and societal demands by embracing the latest technological trends in the education sector.
- Adhering to standard requirements and consistently endeavouring to enhance the operational quality of the institution.

About Our Institution

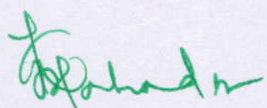

CMS College of Engineering (CMSCE) was established in the year 2007 by CMS Educational Trust. It is situated in the rural area of Namakkal district. The campus of CMS Educational Institutions is described as a sprawling complex covering 36 acres with a built-up area of 7,50,000 sq.ft.

Besides the physical infrastructure, the campus is noted for its overall beauty and serenity. The college is located in Eranapuram, 8 kilometers away from Namakkal (nearby Namakkal District Collectorate) and 42 kilometers from Erode, providing a serene environment for learning. Founded by Industrialist Dr C. Muthusamy, CMSCE aims to offer value-based courses that align with global requirements, especially focusing on uplifting rural communities by providing quality education.

It is a co-educational self-financial institution approved by AICTE and affiliated with Anna University, Chennai, Tamilnadu recognized by UGC under section 2(f). The Institute offers 6 undergraduate programs (i) Electrical and Electronics Engineering (ii) Electronics and Communication Engineering (iii) Computer Science and Engineering (iv) Biomedical Engineering (v) Artificial Intelligence & Data Science (vi) Mechanical Engineering.

- The institution aims to bring rural students into the spotlight by educating them appropriately and focusing on skill development and employment opportunities.
- With a commitment to world-class infrastructure and a peaceful learning environment surrounded by greenery, CMS College of Engineering strives to make education accessible to all.
- Each department having its own dedicated resources, apart from having a centralized facility for all departments

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA

SCIENCE

VISION

- To become a centre of excellence in the realms of Artificial Intelligence and Data Science which fosters talents, cultivates research skills and promotes social responsibility.

MISSION

- Foster employability and entrepreneurial skills in AI & DS through experiential and self-directed learning.
- Strive towards efficient industry-institute interaction to bridge the gap between academic learning and industry needs.
- Sensitize students to solve societal issues through AI techniques while inculcating values and ethics.
- Train students in the state-of-the-art technologies of AI & DS.

DEPARTMENT OF BIOMEDICAL ENGINEERING

VISION

- To become a distinguished hub for academic research aimed at enhancing the well-being of human lives.

MISSION

- To provide foundational and advanced skills to foster innovative ideas in interdisciplinary domains like robotics and semiconductors.
- To embody excellence in Biomedical Engineering by establishing a connection between engineering and medicine through educational initiatives.
- To foster skill development and leadership to innovate and advance technologies, devices, and therapies aimed at enhancing healthcare.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

VISION

- To become a Centre of Academic Excellence and Advanced Research in the field of Computer Science and Engineering and develop professionals who can meet with societal issues.

MISSION

- To create an optimal environment featuring state-of-the-art technological infrastructure, structured teaching-learning atmospheres, and industry engagement within the field of Computer Science and Engineering.
- To foster the growth of graduates with exceptional technical expertise and entrepreneurial acumen, while promoting a desire for advanced education in Computer Science and Engineering. Equip them with the essential skills to address real-world challenges effectively.
- To in still in graduates a strong sense of social responsibility, a positive attitude, discipline, and a commitment to leveraging their professional expertise for the betterment of society.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

VISION

- To achieve excellence in the realms of education and research within the field of Electronics and Communication Engineering.

MISSION

- To impart knowledge using cutting-edge technologies, addressing the evolving challenges of the industry.
- To conduct research through collaboration with research organizations and industry stakeholders.
- To empower students with robust foundations to prepare them for further education.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

VISION

- To provide world-class engineering education in the domain of Electrical and Electronics Engineering to meet global challenges technically, ethically and socially responsible for the welfare of all citizens.

MISSION

- Provide a strong theoretical foundation in Electrical and Electronics Engineering.
- Develop practical skills and professional conduct among students.
- Foster critical thinking and problem-solving abilities.
- Create engineers equipped to meet the current and future demands of the nation and the world.

DEPARTMENT OF MECHANICAL ENGINEERING

VISION

- To be a Centre of Excellence in Mechanical Engineering, fostering a harmonious blend of teaching, learning, and research to provide high-quality technical for the betterment of society.

MISSION

- To create advanced research facilities in Mechanical Engineering, facilitating faculty and students in learning, sharing knowledge, and innovating in their respective applications.
- To nurture entrepreneurial spirit and promote consultancy, fostering holistic personality development in students.
- To promote a culture of teamwork and enhance ethical and social standards in the lives of graduates.
