7.1.4. Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic diversity and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)

In our College we have undertaken various efforts and initiatives in way of celebrations towards cultural, regional, linguistic, communal socioeconomic diversity and Sensitization of students and employees to the constitutional obligations. Each celebration will build and unite the students and teachers to make a non-polluted relationship to develop a positive way of communication. Our college provides the enrolment and involvement of the students who act as the main role in all the events conducted in our campus. The institutions have a strong belief in of all cultures and traditions as it is the fact that students belonging to different regions are studying without any bigotry. In our campus we build a strong infrastructure regarding to provide a free space to conduct all the events with the instruction and learning to perform activities, studies, task etc.

The events like Annual Day, Sports Day, Swachh Bharat, Induction Programmes, Tree plantation, Voters Day, Constitution Day, Regional Events, and Medical Programmes etc are planned accordingly for every academic year. The faculty coordinators and student coordinators successfully executed all the events with ease.

- CMSCE Annual day and Sports day deals with the internal talents of the students another then the academic lessons. The students promote to showcase their fitness as easy, fun and free activity.
- Induction Programme is the process used to welcome the new students to our institute and prepare them for their new role as a college student. It helps in the integration of students into the College Life.

- Swachh Bharat mission is that to initiate the cleanliness drive in our college campus. Picking up the broom to clean the dirt, making Swachh Bharat mission, a mass movement across the campus as neither litter, nor let others litter. We conducted Tree Planting Workshop for the students
- Voters Day and Constitution Day involve the students to know our country democracy to make the system that persists the powers that be whether they are the powers that ought to be.
- Medical Programmes like Corona Awareness, Wearing masks, Medical Counseling Programmes to know about the health related problems for the students and self directed for students to contact anywhere anytime.
- Environmental Events promote the Awareness for the students traditionally to know the aim of class at teaching the ropes about the tree planting. This spring will offer two tracks, the first track is a residential tree planting workshop for students who want to learn plant and care for trees in their own yards. The second track is a workshop for students who want to become a Forester Team Leader, equipping with skills needed to lead others in planting trees at future events.
- To encourage the students we conducted Kalam Day to make a pledge to dream their aims experimentally bigger.
- Regional Events like Pongal and Holi Celebrations conducted in our college to create the colour of discrimination between the students and to know the regional aspects.
